

[Analysis of Copper Concentration in Human Serum by Application of Total Reflection X-ray Fluorescence Method \[1\]](#)

Title: Analysis of Copper Concentration in Human Serum by Application of Total Reflection X-ray Fluorescence Method

Author(s): Kubala-Kukus, Aldona; Banas, Dariusz; Braziewicz, Janusz; et al.

Source: Biological Trace Element Research Volume: 158 Issue: 1 Pages: 22-28 Published: 2014

Times Cited: 5

DOI: 10.1007/s12011-013-9884-4
